Dear Meriden-New Britain-Berlin YMCA member:

As a member of the Y, you're committing to more than simply becoming healthier. You are supporting the values and programs that strengthen our community. We are thankful for our members, volunteers and donors for making this possible. Here are some of the highlights of how the MNBBY served our community last year. The MNBBY:

- Provided over \$1,235,498 in scholarships for membership and programs (no one is turned away for inability to pay for those who demonstrate need)
- Employed 837 people and provided disadvantaged Meriden Youth with summer job opportunities so that they may learn valuable employment skills in their first job
- Provided outdoor fun, adventure and friendship at Mountain Mist and Camp Thundermoon
- Expanded our high quality affordable child care offerings for working families
- Kept members active, healthy and connected to improve their mind, body and spirit
- Introduced new programs for adults including Salsa Lessons, Adult Painting and Brain Gym in Meriden, Belly Dancing in New Britain, and Pickleball in both locations
- Taught children and adults the lifesaving skill of swimming
- Provided youth and adult sport lessons and leagues
- Fostered creativity through arts, dance and STEM programs
- Provided our Child Watch babysitting service at no extra charge to our full members with family memberships
- Distributed and delivered over 500 holiday to-go meals on Thanksgiving Day and again on Christmas Day plus gave out toys from Santa
- Housed over 80 men in our Hart House Member-In-Residence Program and provided holiday meals for them.

Our Y improved facilities with assistance from community grants, AMR funds, and donations. The pool deck was replaced at the YMCA Mountain Mist Outdoor Center and the Meriden Y fitness center was updated with new equipment. The Meriden YMCA's roof will be replaced in 2023. Funding was secured for facility renovations at the New Britain YMCA including air conditioning upgrades and energy efficient window replacement in an attempt to support health safety and implement cost-savings on gas and electricity for the YMCA.

To continue to serve our community with the best possible programs and services and address the rising cost of operations and minimum wage increase, some membership fees will increase effective February 1, 2023. Please see page two for more information. Silver Sneakers, Silver and Fit, and Renew Active memberships are not affected.

We value you as a member and look forward to seeing you continue your healthy habits. Together we build a better community.

Best wishes to you and your family for a Happy Healthy New Year,
John Benigni, CEO, Meriden-New Britain-Berlin YMCA
