

**FOR YOUTH DEVELOPMENT®  
FOR HEALTHY LIVING  
FOR SOCIAL RESPONSIBILITY**

The State of Connecticut's Office of Early Childhood has announced updates to the guidelines for summer camp:

1. Group size may now be 14
2. Temperature checks are no longer required by the OEC, however, we will continue to do so for the safety of our campers and staff.

We're still having tons of fun and the #bestsummerever! If you have not signed up yet, please join us!

## **2020 Mountain Mist Day Camp FAQs**

### **How will camp be set up differently this summer to follow the new COVID-19 safety guidelines?**

- Parent pick up and drop off at staggered times
- No bus service this year
- Safety and directional signage throughout camp
- Camper groups at their camp sites, groups of 10 (now changed to 14 per OEC update) campers with two counselors
- Rotate through camp activities while following social distance guidelines
- Each group will have own art supplies and sports equipment
- Each group has their own assigned bathroom and Mountain Mist will have additional port-o-lets to accommodate the increased need
- Counselors stay with same group. Meeting the current CDC guidelines of ensuring that student and staff groups are as static as possible by having the same staff work with the same group of children all day.
- Before and after care campers will be assigned to groups with other before and after care campers
- Campers will wait at a specific grid location on the assigned field in the same spot each day at arrival and at pick up
- Hand sanitizing stations throughout camp, frequent handwashing
- Staff using all necessary PPE
- Enhanced health and wellness screenings including daily temperature checks
- No overnights

### **What guidelines is Mountain Mist Day Camp following to plan for camp this summer?**

Mountain Mist Day Camp is following all guidelines and requirements from federal, state, and local governments as well as the YMCA including: the Center for Disease Control (CDC), Connecticut Office of Early Childhood (OEC), State of Connecticut Department of Public Health, YUSA.

### **Will there be bus service?**

Due to the safety guidelines, we are unable to offer our bus service. There will be parent drop off and pick up at staggered times. More information will follow.

### **How many campers will be allowed at Mountain Mist this summer?**

- Mountain Mist has 66 acres of space.
- OEC approved our camp for 450 campers
- We can accommodate 16 - 45 groups of campers, with each group consisting of 10 (now updated to 14) campers and two counselors. These meet CDC guidelines of enhanced social distancing.
- We do not know yet how many campers will be on site. This depends on registrations.
- Our camp has enough space and walking areas within its locations (Approx. 50-70 feet between camp sites) to meet the current CDC guidelines of enhanced social distancing and restricting mixing of groups.

#### Groups per Traditional Camp Village

- Teepees: 2 - 4 groups
- Pioneers: 2 - 4 groups
- Discoverers: 3 - 6 groups
- Explorers: 3 - 6 groups
- Adventugators (Adventurers and Navigators): 2 - 4 groups
- CITs: 1 group - training first sessions-integrated later on
- Adaptive - one counselor per child integrated into age group and will also meet as a group following guidelines

#### Groups per Specialty Camp:

STEM- 1 group at camp

- MTC - 2 groups at camp
- Art - 1 group at Camp (9:00 AM -12:00 PM)
- Sports- 2 groups at camp
- Gymnastics - 1 group meet at gymnastics center then transported to camp
- Cooking- 1 group meet at cooking then brought to camp
- Fishing/Fort Building- 1 group at camp transported to approved ponds
- Horseback Riding - 1 group meet at horseback then transported to camp

#### **How many counselors will be with each group?**

- Two counselors per group, remain with same group all session
- The same staff will work with the same group of children all day to meet CDC guidelines ensuring student and staff groups are as static as possible.

#### **What is required of counselors to help keep our campers safe?**

- All counselors will have temperature taken before campers arrive Meeting the current CDC guidelines of implementing screenings safely, respectfully as well as in accordance with any applicable privacy laws or regulations.
- Counselors will be instructed and trained on the current and proper cleaning and sanitizing method meeting the current CDC guidelines of intensifying cleaning, disinfection and ventilation.
- Counselors will have access to and wear the necessary PPE throughout the day, as well as wash hands, covering coughs and sneezes, etc. meeting the current CDC guidelines of promoting healthy hygiene practices.
- Counselors will wear masks.
- Counselors will interact with assigned group meeting the current CDC guidelines of ensuring that student and staff groups are as static as possible by having the same staff work with the same group of children all day.
- Meeting the current CDC guidelines of ensuring that student and staff groups are as static as possible by having the same staff work with the same group of children all day

- All campers will have temperature taken upon arrival, meeting the current CDC guidelines of implementing screenings safely, respectfully as well as in accordance with any applicable privacy laws or regulations.
- Campers will be instructed and trained on the current and proper cleaning, movement and social distancing methods. Meeting the current CDC guidelines of intensifying cleaning, disinfection and ventilation, and of promoting healthy hygiene practices.
- Campers will be instructed and directed on expected camp behavior meeting the current CDC guidelines of protecting children and staff.

### **Do campers have to wear masks?**

No. At this time guidelines do not require them to wear masks. If your family decides you want your camper to wear a mask your camper is welcome to do so.

### **How will social distancing guidelines be followed at camp?**

- Between groups - Our camp has enough space and walking areas within its locations (Approx. 50-70 feet between camp sites) to meet the current CDC guidelines of enhanced social distancing and restricting mixing of groups.
- Within groups - Campers will be instructed and directed on expected camp behavior meeting the current CDC guidelines of protecting children and staff.
- We will continue to educate them on the CDC guidelines and ask that you continue to remind them of these at home.

### **How will staff keep camp clean and sanitized?**

Camp cleanliness and sanitizing meeting the current CDC guidelines of promoting healthy hygiene practices and intensifying cleaning, disinfection and ventilation

- Cleaning equipment and portable foam hand sanitizing dispensers will be located throughout camp
- Jugs of sanitizer will be at each camp site
- Each camper will be given individual hand sanitizer bottles on lanyards
- Visual signs everywhere at camp as a reminder to wash hands, keep each other safe from germs, and keep camp clean
- Equipment will be cleaned before, during and after use
- End of day spraying with Ghost B Sprayer 105ex

### **What will the camp day hours be?**

- 6:30 a.m. to 5:30 p.m. and 9:00 a.m. to 3:00 p.m.
- Before and after care campers will be assigned to groups with other before and after care campers
- Specialty Campers cannot participate in before and after care
- Campers will wait at a specific grid location on the assigned field in the same spot each day

### **What is the daily Traditional Camp activity schedule?**

#### Morning Activities

- Breakfast snack at campsites
- Morning announcements will be broadcast
- Counselors (2) with assigned groups of 10 at assigned site/area.
- Sites will be equipped with necessary art and sports supplies and hand sanitizers. Campers will not share supplies and equipment will be cleaned before, during and after use meeting the current CDC guidelines to limit sharing.
- Campers **MUST** bring water bottles that will be filled by counselors, at one of the various water stations, throughout the day.
- Follow planned activities for the day scheduled by village directors and counselors.
- Rotations to assigned areas and activities.
- All camps will have assigned port-o-let or bathroom areas.

#### Lunch

- Free Lunch: Counselors will bring boxed or bagged lunch to campers from pavilion to the camp sites. Campers that bring their lunch must provide a lunch that can stay in a backpack. No refrigeration will be available.

#### Afternoon

- LOGS (Lots Of Great Stuff) will be broadcast
- Continue with scheduled activities
- Pool/Archery Rotation

### **What about rainy days?**

- At Mountain Mist Day Camp we call rain liquid sunshine! We do everything we can to have fun on a rainy day.
- We will closely monitor the weather forecasts just like we would normally do for overnights, and announce any cancellation in advance.
- We will utilize pavilions in sudden or threatening weather.
- If severe weather required us to close camp early (like when schools get closed early for a similar situation) we would call parents and guardians to pick up their camper.
- Rainy days are not prorated or refunded.

### **What if my child needs to take medicine?**

Much like child care settings that most of your children attend throughout the year our staff will all be trained in administration of medication As well as First Aid CPR. Rescue inhalers, epi pens and emergency medication will be kept in proper storage containers, labeled and with the child's counselor. Nurses and staff will log the administration of any medication throughout the camp day on the OEC's Medication Administration Record.

### **What happens if someone gets injured or sick?**

- Our Nurse, Health and Isolation Procedures meet the current CDC guidelines of monitoring and preparing.
- Counselors will evaluate the injury and contact the nurse via walkie/phone for severity of request, injury, etc. and will be advised on course of action
- Counselors have first aid and CPR training and campsites will be equipped with First Aid Kits
- We have a nurse on site throughout the camp day. The Nurse will advise on how to proceed
- Cabins will be designated as an isolation station should a camper show signs of a fever or COVID-19 related symptoms
- Childhood illnesses will still occur, children and staff who develop a fever will not be permitted to return to camp until they are fever free for 24 hours without the use of acetaminophen (Tylenol, Motrin, Advil, fever reducers).

**FOR YOUTH DEVELOPMENT®  
FOR HEALTHY LIVING  
FOR SOCIAL RESPONSIBILITY**

Should a child or staff member develop signs and symptoms related to COVID-19 and a fever will not be permitted to return to camp until fever free for 72 hours without the use of acetaminophen. We will adhere to strict illness policies for the safety of all children and staff at the Y and consult with local and state health departments when necessary and as questions arise.

### **When do we need to register by?**

The deadline for registration is Friday before the camp session you want your camper to attend if you want your camper to start on that Monday. Please note if you register on Saturday or Sunday before the session starts, your child will start on Tuesday. All forms and payment must be received and registration confirmed before your camper starts.

### **How do we register this year?**

There are two registration options this year, online or paper. We encourage you to use online registration if you can to help us go green as much as possible.

There will be a drop box outside of the Meriden YMCA for medical forms and for paper registration forms if you choose to use those instead of registering online.

### **Where and when do we drop off medicine?**

If your child needs to take medicine we will get you information on how you can drop off the permission form and medicine before camp starts.

### **Will there be camp scholarships available?**

Yes. Visit our web site for qualification information and details on how to apply online.

If you need to apply in person, first visit the web site for qualification information. Then come to the Y during our business hours with a copy of your 2019 income tax return or DSS budget sheet.

### **Can we request that our camper be with a friend in the same group?**
