About the Meriden-NBB YMCA

Our Mission

We know that lasting personal and social change comes about when we all work together. That's why, at the Y, strengthening community is our cause. Every day, we work side-by-side with our neighbors to make sure that everyone, regardless of age, income or background, has the opportunity to learn, grow and thrive.

Our Vision

The Y is, and always will be, dedicated to building healthy, confident, connected and secure children, adults, families and communities. Every day our impact is felt when an individual makes a healthy choice, when a mentor inspires a child, and when a community comes together for the common good.

About the New Britain-Berlin Rotary

Mission Statement: We provide service to others, promote integrity, and advance world understanding, goodwill, and peace through our fellowship of business, professional, and community leaders.

Vision Statement: Together, we see a world where people unite and take action to create lasting change — across the globe, in our communities, and in ourselves.
