Dear Parents,

Meriden-New Britain YMCA summer camps work with CampDoc to better serve our participants and staff. CampDoc offers an electronic camp information record system for camps, and you can now complete your participant's camp information electronically.

The security and privacy of your participant's camp information is important to us. The CampDoc site is secure, encrypted, and password protected. You can find additional information about CampDoc privacy and security information at www.docnetwork.org/security.

After signing up for your program, you will receive an "Invitation" email from CampDoc.

- Click on the green "**Accept Invite**" link within the email to create your CampDoc account.
- In the **Confirm Email** box, type your *email address* in order to confirm.
- In the **Password** box, type the password that you want to use.
- Click the **CONTINUE** button.

After you log in, select your participant's name and click on the health profile link to complete your participant's information.

Required questions will be marked with an * and outlined in red. Upload any required documents to your CampDoc account. If you're on a phone/tablet, you can take a picture to upload the document.

Keep in mind that you can return to app.campdoc.com at any time to make updates to your participant's health information before your program begins. You can log in using the email address and password you previously created.

We're excited to let you know that your participant's health information will save from year-to-year, so once you complete it in CampDoc this season, you won't have to start from scratch next year.

Additionally, CampDoc sends out periodic reminder emails for incomplete health information. These notifications come from [campdoc.com](mailto:support@campdoc.com), so please add this to your safe sender list to avoid accidental delivery to junk and spam folders. We don't want you to miss important notices about Mountain Mist Day Camp!

Please note that CampDoc supports the current and previous major releases of [Chrome](#), [Firefox](#), [Microsoft Edge](#), and [Safari](#) which provide improved security and performance for health information.

For additional assistance, you can navigate to support.campdoc.com or contact our Support Team at support@campdoc.com or 734-636-1000.

We are excited to continually improve, building safer, more productive and more efficient systems to create the best experience for you and your family!

We can't wait to see you this summer,
Camp Thundermoon Staff
