EXPLORE LEARN CREATE

STEM CREATIONS (SCIENCE, TECHNOLOGY, ENGINEERING & MATH)

When: Tuesdays 4:00 PM to 5:00 PM
May 21st and May 28th

Where: Roger Sherman Elementary

Fee: \$20 per child

Do you like to explore science, solve problems and use technology? If you do, then join the CT STEM Academy for an engaging session of exploring many different STEM Challenges both engineering and technology through hands-on investigations. Build, engineer, and explore many different science activities such as rockets, Ozobots, bridge building, and K'NEX!

For more information on our program, please see our website at www.ctstemacademy.org.

For questions or to register contact Amy Fitzgerald, Program Director at 860-357-2717 or send an email to afitzgerald@meridenymca.org. Register at the Meriden YMCA front desk at 110 West Main Street or call 203-235-6386.
