CT STEM ACADEMY

Thank you to our supporters

Join us for a fun filled morning of controlling and coding an Ozobot. This session will be led by Christopher Stone, Director of CT STEM Academy.

This program is offered in collaboration with Connecticut STEM Academy. For more information on our program, please see our website at www.ctstemacademy.org, Like us on Facebook, or follow us on Twitter, @ctstem.

There is a minimum of 10 participants for this program to run as scheduled.
