Dear Y child care families:

The Meriden-New Britain-Berlin YMCA hopes that you and your families are staying safe and healthy during this time. We are hopeful everyone is heeding the warnings in regards to the seriousness of this pandemic and following all of the guidelines from the CDC, federal, state and local governments.

As you are aware we have suspended all regular child care services until further notice following recommendations made by the CDC, local and state health departments.

Emergency Child Care for Hospital Employees

If you are an employee of the Hospital for Special Care, or Hartford Healthcare's Hospital of Central Connecticut New Britain General campus or MidState Medical Center and are in need of child care please contact Tina Valentin at 203-314-1738 or tvalentin@meridenymca.org. There are a limited number of spots for infant, toddler, preschool and school age.

Child Care Payments

We have stopped future tuition auto draft payments effective 3/17/2020. The YMCA will be issuing system credits to your YMCA account for the weeks you have paid for which families may utilize for future weeks of care and or programming with the Y when Governor Lamont gives permission for us to reopen.

Thank you for your understanding. We will keep families posted regarding when we can return to operation for our YMCA facilities, day care programs, and AM/PM school age child care. If you have additional questions please contact Tina Valentin via email at tvalentin@meridenymca.org.

Even though our buildings are closed for now, we have resources for you to stay healthy, active and have fun with your children. Visit our web sites at meridenymca.org and nbbymca.org and follow us on our social media channels for:

- Daily workouts and recipes
- Basketball skills and drills
- Gymnastics skills
- Fun educational activities
- Share a story and a smile.
