## Annual Campaign

At the Y, no child, family or adult is turned away. We recognize that for communities to succeed, everyone must be given the opportunity to be healthy, confident, connected, and secure. Last year we helped our neighbors by providing over \$150,000 worth of free or subsidized services to children and families in our community. Through our Annual Campaign we provide scholarships for summer camp, swim lessons, youth sports, the P.A.C.E program to break the cycle of childhood obesity, child care, family memberships, and more.

Wallingford, CT 06492**

**About the Meriden-NBBY**

**During the Pandemic:**

While our doors were closed, the Y continued to serve our communities by:  
 \* Providing free emergency child care for essential workers  
 \* Feeding families  
 \* Offering daily virtual workout recipes and wellness  
 \* Sending home exercise videos to seniors and making check in calls  
 \* Housing residents at our New Britain Y  
 \* Offering free virtual art, dance and STEM classes, and more.

Since we reopened, over 400 children per week are enjoying safe summer fun at our camps, our members are returning to exercise, and we are resuming programs that were interrupted.

The need of financial assistance for community members has increased this year. There are also increased costs to keep our members, campers, child care students, staff, healthy and safe.
