Miss Alexis Ward, Dance Instructor, Meriden YMCA Dance Academy

Alexis began dancing when she was three years old at Gloria Jeans Studio of Dance and was placed on their competition team at the young age of five. Alexis competed in numerous regional and national competitions throughout her thirteen years of competitive dancing. She also competed in three world dance competitions, placing first each time with her team.

After Alexis graduated from Mercy High School in 2012, she entered Western New England University in Springfield, MA on her path to become a pharmacist. She joined the dance team at Western New England and was elected onto the e-board during her sophomore year. Alexis was the choreographer for the team for three years and helped to build program significantly. Currently, Alexis is in her second year of Pharmacy school and will graduate with a Doctorate of Pharmacy in 2019. Alexis has always been passionate about dancing and wants to instill that same passion in all of the young dancers she works with.
